

### **REMARKS**

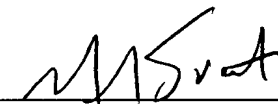

Applicants are submitting with this Supplemental Amendment a formal set of drawings for entry into the application.

In drafting the formal set of drawings, it was determined Fig. 1 was required to be broken down into two drawing sheets. As can be seen, these drawing sheets are now labeled Fig. 1A, and Fig. 1B.

In view of this, Applicants have amended various areas of the application to conform to the present presentation of the drawings.

These changes are not substantive, and simply are made to provide a correspondence between the designation of the drawing sheets submitted and the text of the application.

Respectfully submitted,  
FAY, SHARPE, FAGAN,

**AMENDMENTS TO THE DRAWINGS:**
